

Branch SaaS Main Services Agreement

Introduction

These Terms & Conditions ("**Terms**") are entered into by and between of Branch Metrics, Inc., a Delaware corporation d/b/a Branch Metrics ("**Branch**," "**Branch Metrics**," "**we**," or "**us**") and the entity or person accessing this website ("**Website**") or placing an order for or accessing any Services made available by Branch Metrics ("**Customer**" or "**you**" or "**your**"). "**Services**" means the products and services that are made available online by Branch under these Terms, the "**Beta Services**", as defined in these Terms, other services or products that Branch may make available from time to time, including associated Branch offline or mobile components. Services exclude (i) Web-based, mobile, offline or other software application functionality that interoperates with a Service, that is provided by Customer or a third party, and (ii) Third-Party Content, as defined in these Terms. By indicating your acceptance of these Terms or using any of our Services, you agree to be legally bound by, and use our Services in compliance with, all terms, conditions, and notices in the Agreement. By agreeing to these Terms, you warrant that you are authorized to agree to these Terms on behalf of you and/or your company. IF YOU DO NOT AGREE TO THESE TERMS & CONDITIONS, DO NOT USE OUR WEBSITE OR ANY SERVICES.

"**Agreement**" means these Terms together with any applicable Order Forms, and any exhibits, appendices, schedules, or attachments identified or referenced in these Terms, and any amendments attached hereto or hereafter attached by mutual written agreement of the parties (all of which are incorporated herein by reference).

"**Order Form**" means an ordering document or online order specifying the Services to be provided hereunder that is entered into between Customer and Branch or any of their Affiliates, including any

addenda and supplements thereto. By entering into an Order Form hereunder, an Affiliate agrees to be bound by the terms of the Agreement as if it were an original party hereto.

“**Documentation**” means the applicable Service’s documentation and usage guidelines at <https://docs.branch.io/>.

“**Affiliate**” means any entity that directly or indirectly controls, is controlled by, or is under common control with the subject entity. “Control,” for purposes of this definition, means direct or indirect ownership or control of more than 50% of the voting interests of the subject entity.

Modifications. We may make changes to these Terms from time to time. When we do, we will revise the “Last updated” date given above. It is your responsibility to review these Terms frequently and to remain informed of any changes to them. The then-current version of these Terms will supersede all earlier versions. You agree that your continued use of our Services after such changes have been published to our Services will constitute your acceptance of such revised Terms.

Service Access and Availability

Service Access & Availability. Subject to your compliance with these terms and conditions, Branch will make the Services available to you pursuant to the terms of the Agreement and solely for Customer’s internal business needs. Branch shall: (a) use commercially reasonable efforts to make the online Services available 24 hours a day, 7 days a week, except for: (i) planned downtime (of which Branch shall give advance electronic notice), (ii) emergency maintenance that is reasonably unforeseeable and necessary for purposes of maintaining the integrity or operation of the Services, regardless of the notice provided by Branch and (iii) any unavailability caused by circumstances beyond Branch’s reasonable control, including, for example, an act of God, act of government, flood, fire, earthquake, civil unrest, act of terror, strike or other labor problem (other than one involving Branch employees), Internet service provider failure or delay, integrated third party applications , or denial of service attack, and (b) provide the Services in accordance with laws and government regulations applicable to Branch’s provision of its Services to its customers generally (i.e., without regard for Customer’s particular use of the Services), and subject to Customer’s use of the Services in accordance with the Agreement, the Documentation and the applicable Order Form. Your rights to access and use the Services are limited by all terms set forth in the Agreement.

Restrictions; Updates & Support

Restrictions. You must comply with all applicable laws when implementing, configuring, and using the Services. Except as expressly permitted under these Terms, you will not, and will not permit anyone else to: (a) make the functionality of the Services to any third party through any means, including, without limitation, any hosting, application services provider, service bureau, or other type of service; (b) use any automated tool (e.g., robots, spiders) to access or use the Services; (c) rent, lease, or sublicense your access to the Services to another person; (d) circumvent or disable any digital rights management, usage rules, or other security features of the Services or attempt to gain unauthorized access to the Services or its related systems or networks; (e) use the Services in a manner that overburdens, or that threatens the integrity, performance, or availability of, the Services; (f) remove, alter, or obscure any proprietary notices (including copyright and trademark notices) on any portion of the Services; (g) send material containing software viruses, worms, trojan horses, or other harmful computer code, files, scripts, agents, or programs; or (h) use the Services in connection with any Apps or websites that are directed to children under 13 (and in certain jurisdictions under the age of 16), without employing appropriate settings within the Branch SDKs to limit data collection from such children in accordance with applicable law. More information on these settings is available [here](#). If you have questions about how to use these settings or have any reason to believe that these resources may not address your particular use case, please reach out to the Branch Support team via the "Submit a Ticket" function at <http://help.branch.io/>. Notwithstanding anything to the contrary in the Agreement, use of the Services in violation of the foregoing restrictions by Customer that, in Branch's judgment, threatens the integrity, performance, availability, or security of the Services may result in Branch's immediate suspension of, or limitation in Customer's access to, the Services.

Updates and Support. Branch will maintain, support, update, and provide error corrections for the Services to the same extent it does so for its customers generally. Ultimately, you are responsible for timely integration and launch of the Services. If Branch provides you with an update or maintenance release for the offline components of the Branch Services, unless you receive a separate license from Branch for that update or release that expressly supersedes these Terms, such update or release will be subject to the terms and conditions of these Terms. Branch shall have no liability for any damages that may result from Customer's failure to implement upgrades or updates to the Services provided that Customer is notified in writing by Branch of an upgrade or update. All support requests must be

sent to the Branch Support team via the "Submit a Ticket" function at <http://help.branch.io/>.

Beta Services

From time to time, Branch may invite You to try Beta Services. "**Beta Services**" means Our services or functionality that are not generally available to customers at no additional charge and that may be made available to You to try at Your option which are designated as beta, pilot, limited release, developer preview, non-production, evaluation, or by a similar description. You may accept or decline any such trial in Your sole discretion. Beta Services are for evaluation purposes only and not for production use, are not subject to any service level agreements (SLAs) agreed to between you and Branch, and may be subject to additional terms. Branch is under no obligation to, maintain, support, update, or provide error corrections for the Beta Services. Branch may discontinue Beta Services at any time in Branch's sole discretion and reserves the right to never make them generally available. BRANCH WILL HAVE NO LIABILITY FOR ANY HARM OR DAMAGE ARISING OUT OF, OR IN CONNECTION WITH, CUSTOMER'S USE OF A BETA SERVICE. THE BETA SERVICES ARE PROVIDED "AS IS" AND AS AVAILABLE, AND ARE EXCLUSIVE OF ANY WARRANTY WHATSOEVER.

Without limiting the foregoing, BRANCH EXPLICITLY DISCLAIMS ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUIET ENJOYMENT OR NON-INFRINGEMENT, AND ANY WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. In the event of a conflict or inconsistency between this section and any other provision of the Agreement, the terms of this section "BETA SERVICES" shall control and prevail with respect to Beta Services.

Paid Service Terms

Fees. You will pay to Branch all fees specified in an Order Form ("Fees"). You are responsible for all undisputed Fees, even if such Fees are due and payable after termination of the Agreement or any portion thereof. Fees are non-cancellable and failure to use the Services does not constitute a basis for refusing to pay any Fees. Except as expressly provided in the Agreement, you will not receive any refund or prorated refund for amounts previously paid or amounts owed up to the effective date of termination.

Payments & Invoicing. Any relevant paid service-specific terms including, for example, contract duration, monthly fees, billing frequency, payment forms, and payment term will be addressed within

an associated Order Form. All charges shall be invoiced in advance in accordance with the billing frequency stated in the applicable Order Form. You shall be responsible for the payment of any fees associated with an electronic funds transfer (i.e., ACH, wire transfer) when issuing payment to Branch, which includes fees from Your financial institution and intermediary banks. You are responsible for providing complete and accurate billing and contact information to Branch and notifying Branch of any changes to such information. In certain instances where your payment method is via credit card, the issuer of the credit card may charge a transaction fee or related charges, which you will be responsible to pay.

Payment by Credit Card. In certain instances where your payment method is via credit card, the issuer of the credit card may charge a transaction fee or related charges, which you will be responsible to pay. Fees will be billed to the credit card nominated by you and you authorize the card issuer to pay all such amounts and authorize Branch (or its billing agent) to charge the credit card account until you or Branch cancels or terminates the Services as set forth herein; provided that if payment is not received from the credit card issuer, the transaction is returned after the payment has been settled, otherwise known as chargeback, or if there are insufficient funds in the case of check or debit card payments, you agree to pay all amounts plus any applicable transaction fees (e.g., NSF fees, chargeback fees) due upon demand.

Payment Disputes. If you have concerns about any charges on your invoice, you agree to the following dispute resolution process: (i) all billing disputes must be submitted in writing to billing@branch.io, (ii) billing disputes must be submitted within 90 days of the date the invoice was generated, and (iii) undisputed amounts will be subject to the Agreement and total payment for undisputed invoices or amounts must be submitted when due.

Suspension or Cancellation of Service; Payment Acceleration. Without derogating from any other remedies available to Branch under the Agreement or by applicable law, if you owe any undisputed Fees 30 days or more past due in connection with any Services provided by Branch under any applicable Order Form, then, without affecting any of your payment obligations under the Agreement (including, any payment obligations under an Order Form), Branch is entitled to take further action including but not limited to accelerating your unpaid fee obligations under such agreement so that all such obligations become immediately due and payable, and suspending and/or cancelling your access to the Services until such amounts are paid in full. Branch reserves the right to send your account to a collections agency for nonpayment (which may, in turn, report the

uncollected debt to credit bureaus) and to use your contact information for debt collection purposes if the Agreement is terminated for non-payment as set forth herein following a 10-day cure period.

Taxes. Branch's Fees do not include any local, state, or federal sales, use, excise, personal property, VAT, or other similar taxes, duties, levies, tariffs, and other governmental charges (including, without limitation, any withholding tax, and any such taxes, to the extent legally applicable, which shall be borne and paid by Customer) (collectively, "**Taxes**"). If Branch has the legal obligation to pay or collect Taxes for which you are responsible under this section, Branch will invoice you and you will pay that amount unless you provide Branch with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, you are responsible for payment of all Taxes resulting from any Fees payable hereunder, other than any taxes based on Branch's net income, property, and employees.

Withholding Taxes. In the event Fees payable by you to Branch under the Agreement are subject to any applicable withholding tax, goods and services tax, or similar taxes required by any tax authority and you are required by applicable law to remit such withholding tax, you: (a) may withhold and deduct from any payments to Branch under the Agreement an amount equivalent to any applicable withholding tax to the extent required by applicable law ("**Withholding Tax**"), (b) will pay to the relevant taxation authority the amount of such applicable withholdings in accordance with applicable law; and (c) will pay to Branch the applicable amounts under this Agreement net of such Withholding Tax. You shall be discharged from the obligation to pay Withholding Tax amounts to Branch provided that (1) you have remitted such amount to the relevant taxation authority and (2) you furnish Branch with (i) your tax registration certificate(s) as proof of registration with the applicable taxation authority, and (ii) any and all relevant tax forms and/or statements with proof of Withholding Tax remittance amount to the taxation authority, the applicable rate, and other information which may reasonably be requested for the purpose of assisting Branch to seek any allowable credits or deductions for the Withholding Tax so withheld in each jurisdiction where you are subject to tax.

Overdue Charges. If any invoiced amount is not received by Branch by the due date set forth in the applicable invoice, then without limiting Branch's rights or remedies, (a) those charges may accrue late interest at the rate of 2.5% of the outstanding balance per month, and (b) Branch may condition future Order Form renewals on payment terms shorter than those specified in the applicable Order Form.

Term for Paid Services. Except as expressly set forth herein, the terms set forth in these Terms shall be in force for as long as an Order Form referencing the Agreement is in effect. Except as otherwise agreed to by you and Branch in a superseding Order Form, at the end of an applicable term, your access to the Services will automatically renew under the same Order Form terms (contract duration, billing frequency, payment period, etc.), unless and until your access to the Services is terminated in accordance with this section or either party to these Terms provides the other with notice of non-renewal (email sufficient; if to Branch, please email billing@branch.io) at least thirty (30) days prior to the commencement of any renewal period.

Termination by Branch. Except as expressly agreed to by you and Branch in a superseding Order Form, Branch reserves the right to modify or discontinue, temporarily or permanently, all or any portion of the Services immediately upon at least thirty (30) days' written notice (email sufficient), provided that Branch will promptly provide a pro-rated refund of all pre-paid and unearned amounts based on the period of suspension or the date of discontinuance, as applicable. Branch may also, in its sole discretion, terminate your access to the Services or any portion thereof if you violate any terms of the Agreement, unless you cure such breach within thirty (30) days of the date Branch provides written notice to you of such violation. Termination by Branch for your violation of these Terms will be effective as of the last day of the 30-day cure period provided herein or immediately to the extent such violation reasonably cannot be cured. Upon termination of the Agreement, any outstanding balance through the effective date of termination and other unpaid payment obligations will be immediately due and payable in full.

Termination

Except with respect to paid services, as to which the terms and conditions governing termination are set forth above in the section "PAID SERVICE TERMS" of these Terms above, You acknowledge and agree that Branch, in its sole discretion, may terminate your use of the Services without prior notice for any reason at any time. You agree that Branch shall not be liable to you or any third party for termination by Branch. Except when subject to a binding contract duration (see any applicable Order Form), you may terminate your access to and use of the Services at any time by providing written notice to Branch via the "Submit a Ticket" function at <http://help.branch.io/>). Such termination will be effective as of the last day of the calendar month during which such termination notice is received.

IF ANY SUCH LAW IS DEEMED TO APPLY TO THE AGREEMENT THEN THE LIMITATIONS SET FORTH HEREIN SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED UNDER SUCH LAWS.

Indemnity

Indemnity. You will defend Branch, its Affiliates and their officers, agents, employees, representatives, and assigns (“**Branch Indemnified Parties**”) against any claim, demand suit or action against Branch brought by a third party (a) arising from your use of the Services in a unlawful manner or in violation of the Agreement or applicable Order Form, or usage of the Services in violation of the Documentation or (b) alleging that any of your Digital Properties developed or provided by you, or the combination of your Digital Properties used with the Services, infringes or misappropriates such third party’s intellectual property rights (c) based on your instructions to share Shared Data with a Partner or (d) related to a regulatory investigation (each a “**Claim Against Branch**”). You will indemnify Branch Indemnified Parties from any costs, damages, and expenses finally awarded against Branch Indemnified Parties as a result of, or for any amounts paid by Branch Indemnified Parties under a settlement approved by you in writing of, a Claim Against Branch. The above defense and indemnification obligations do not apply if a Claim Against Branch arises from Branch’s breach of the Agreement, or applicable Order Forms.

Agency Indemnity. If you are an agency or a party representing, or providing services for the benefit of an Agency Client, in addition to the obligations set forth in the section “AGENCIES & PARTNERS” of these Terms, you further agree to indemnify, hold harmless and defend Branch Indemnified Parties from and against any claim, demand, suit, or action and any related liability against a Branch Indemnified Party brought by a third party, arising out of or relating to: (a) any representations and warranties made by you concerning any aspect of the Services to an Agency Client; (b) any claims made by or on behalf of any Agency Client arising out of or relating to your use of the Services; and (c) any claims arising out of or relating to acts or omissions of an Agency Client in connection with the Services.

Indemnification Procedure. Your obligations to provide indemnification under this Agreement will be contingent upon (a) Branch promptly giving you written notice of any claim for which indemnification is sought (provided that the Branch's failure to notify you will not diminish your obligations under this Section, except to the extent that you are materially prejudiced as a result of such failure); (b) you having sole control of the defense and settlement of any and all claims for which indemnification is sought (provided that no settlement may be entered into without either (i) the consent of Branch if such settlement would require any action on the part of Branch or (ii) unconditionally releasing Branch of all liability); and (c) Branch giving You all reasonably requested assistance at Your expense. Subject to the foregoing, Branch will at all times have the option to participate in any matter or litigation through counsel of its own selection solely at its own expense.
